

Name: Muhammad Mahmoud Abdulrahman Alsuyuti

Academic Qualification

- ✿ Master of Science-Mathematics (Numerical Analysis), Department of Mathematics, Faculty of Science, Al-Azhar University 2014.
- ✿ Pre-Master of Science-Mathematics (Pure Mathematics), Department of Mathematics, Faculty of Science, Al-Azhar University.
- ✿ Bachelor of Science-Mathematics (Pure and Applied Mathematics), Department of Mathematics, Faculty of Science, Al-Azhar University 2008.

Career:

- ✿ Assistant Lecturer, Department of Basic Science, Egyptian Academy for Engineering and Advanced Technology 2015.

Scientific Sessions and Published Paper:

- ✿ E.H. Doha, W. M. Abd- Elhameed, M. M. Alsuyuti, On Using Third and Fourth Kinds Chebyshev Polynomials for Solving the Integrated Forms of High Odd-Order Linear Boundary Value Problems, Journal of the Egyptian Mathematical Society, Vol. **23(2)**, (2015), pp. 397-405. [Link](#)
- ✿ E.H. Doha, W. M. Abd- Elhameed, M. M. Alsuyuti, On Solving Linear and Nonlinear Boundary Value Problems by Using Shifted Chebyshev Polynomials of Third and Fourth Kinds, (In Press).
- ✿ I participated in the module entitled "Principles of Scientific Work" within the DAAD Kairo Akademie on 17 May 2016 by Ms. Andrea Jud.
- ✿ I participated in the module entitled "Scientific English Writing" within the DAAD Kairo Akademie on 31 May 2016 by Dr. Ifdal El-Sket.
- ✿ TOEFL Certificate from the Ain Shams university.
- ✿ A member of the Egyptian Mathematical Society.
- ✿ A member of the Egyptian Syndicate of Scientific Professions.
